Dear Parents/Guardians,

I hope you are doing well. As we work through a new school year at Crivitz MS/HS School, we want to tell you about something really helpful for your middle and high school kids: After-School Homework Help.

In school, we all know that learning can sometimes be tough. Middle and high school can be especially challenging. So, we have this fantastic opportunity for after-school homework help that your child can use.

If you are receiving this letter, your child has been recommended for this service. The criteria for receiving homework help includes failing grades, missing, unfinished or low assignment scores or poor test scores on the MAP or state assessments.

If you would like to have your child take part in the after school homework help, please sign the permission slip below or call/email your child’s teacher or school counselor to give permission.

**After-school homework help will begin on Monday, October 21st. This service will be available Monday-Thursday from 3:30pm-4:30pm in the library. It is the parent’s/guardian’s responsibility to have someone here to transport the child home no later than 4:30pm each day.**

Sincerely,  
Jeff Baumann, Principal
