# THE SOLUTION CRIVITZ ELEMENTARY SCHOOL

Preliminary site + floor plan

COLOR KEY Existing Renovation New Construction

### ADDITIONALLY, THE PLAN WOULD:

- Address capital improvements and critical maintenance needs at the elementary school
- Expand and renovate the middle/high school tech ed spaces

- 1 Create 4-year-old kindergarten and early childhood classrooms with dedicated restrooms and elevator to provide accessibility
- 2 Renovate space for a kindergarten classroom with a dedicated restroom
- 3 Relocate the library to provide better access for students and the community
- 4 Create areas for small-group instruction
- 5 Expand 5th and 6th grade classrooms (second and third floors)
- 6 Add an elevator to provide accessibility to the lower level
- 7 Relocate the school office and secure entry
- 8 Reconfigure traffic flow
- 9 Resurface parking lots
